

Chanukah Fire Safety

Do not light your menorah near flammable materials like curtains.

Never leave your menorah unattended or go to bed before all the candles or oil has stopped burning.

Keep matches, lighters, and other fire-starting items out of reach of children.

Keep flammable items away from the stove.

Keep children away from hot cooking surfaces and oil during frying.

Always stay in the kitchen when cooking to avoid unattended cooking fires.

Test your smoke and CO alarms, replace batteries if needed.

In the case of an emergency call 911

The Lakewood Fire Department wishes you a holiday season filled with love, light, and safety.
